Each unit is equal to one minute. Customers are notified of their remaining card balance each time a call is placed and are notified during a call when the balance is about to be depleted.
- (b) Each fractional minute will be rounded up to the next minute. Each unit is priced at the prevailing rate as set forth in Sections 4 and 5 herein. Each card will have a specified expiration date printed on the card within which all units must be used. The expiration date is approximately twelve (12) months from the date on which the card is issued. Payment by the Customer for the Prepaid Calling Card Service is due in advance or upon receipt of the prepaid card. While the Company will not refund any unused units, the Company reserves the right to recall all unused Prepaid Calling Cards and refund to Customers any remaining balances on the recalled cards.
